

About the workshop

Indian Institute of Technology Madras is organising a workshop on the advances in robotics, during July 18-19, 2016, in collaboration with the Robotics Society of India. The workshop would bring in experts from different aspects of robotics to talk about the recent developments, and the methods and technologies that make these possible. It would cover some of the traditional concepts from mechanics and controls, as well as robot vision and newer forms of robots, such as UAVs and underwater robots, and service robots. Experts from academia and industries would share their experience with the participants, so as to bridge the gap between the theoretical and practical aspects of robotics.

Who should attend

The workshop should be useful to the researchers in the field, as well as practicing engineers. It is open to:

- Research scholars/PG students
- Academicians
- Delegates from the industries
- Delegates from the research labs

Workshop fee & payment procedure

Participant type	Registration fee
Full-time students/research scholars: (The students need to produce a valid identity document at the venue)	Rs. 1000/-
Professionals: (Faculty/Researcher/Industry personnel)	Rs. 3000/-

- For registration and payment, please visit the [workshop website](#).
- Last date of registration is June 25, 2016. Selected candidates will be intimated by July 01, 2016.
- Faculty members from academic institutions should produce no-objection certificates/letter of permission to attend the workshop from their respective institutes, as applicable.
- Limited accommodation will be provided in student hostels on payment basis. Please note that the number of participants is limited to 40 and the organisers reserve the right to select a subset of the applicants in case of over-subscription.

Workshop faculty (to be confirmed)

Mr. Alok Mukherjee, R&DE (Engr.), Pune
Prof. Arun D. Mahindrakar, IIT Madras
Prof. Ashish Dutta, IIT Kanpur
Prof. Ashitava Ghosal, IISc Bangalore
Prof. Asokan Thondiyath, IIT Madras
Prof. Balaraman Ravindran, IIT Madras
Prof. Gaurav Pandey, IIT Kanpur
Dr. Jagannath Raju, Systemantics India Pvt. Ltd., Bangalore
Dr. Madhava Krishna, IIIT Hyderabad
Prof. Pushparaj Mani Pathak, IIT Roorkee
Prof. Sandipan Bandyopadhyay, IIT Madras
Prof. Santanu Chaudhury, IIT Delhi
Prof. Somashekar Hiremath, IIT Madras
Prof. Subir Saha, IIT Delhi
